DETAILED ACTION

Allowable Subject Matter

Claims 1, 5-11, 15-18, 21-23 are allowable.

The following is an examiner's statement of reasons for allowance: the prior art of record failed to disclose: make obvious, or otherwise suggest adding a first additional feature to each of the first feature vector and the second feature vector, the first additional feature representing a first category of the initial organization structure, the first additional feature in the first feature vector corresponding to a degree to which the first item is similar to one or more items associated with the first category of the initial organization structure, the first additional feature in the second feature vector corresponding to a degree to which the second item is similar to one or more items associated with the first category of the initial organization structure and automatically determining, using at least the processing hardware, a resulting organization structure based upon the processing of the plurality of items, the resulting organization structure comprising at least a portion of the initial organization structure and a modification to at least one of the categories of the initial organizations structure such that an association of a first one of the items to at least one of the categories of the resulting organization structure is different from an association of the first one of the items to at least one of the categories of the initial organization structure as recited in claims 1 and 11.

Art Unit: 2161

The dependent claims 5-10, 15-18 and 21-23, being further limiting to the independent claims 1 and 11 definite and fully enable by the specification are also allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
